

NASPAC Telemedicine Meeting Steps

****Telemedicine can be easily accessed through any smart phone, tablet, or computer. If we have contacted you and identified you for a Telemedicine visit, we will be in contact with you. You do not need to contact us****

Do you have a smart phone, tablet, or computer with camera accessibility?

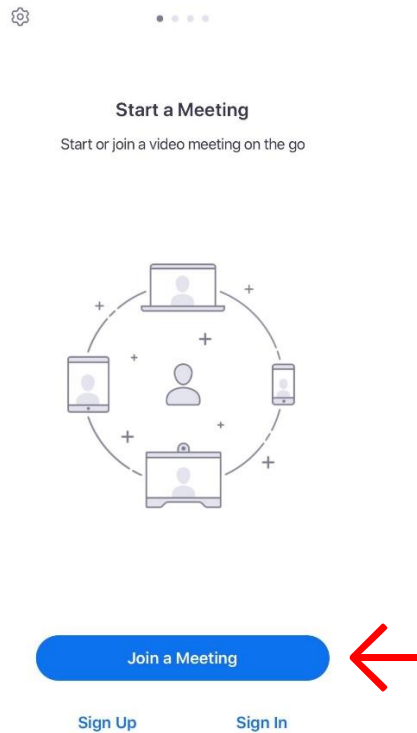

- iPhone/ iPad (Apple Product)
 - Go to App Store

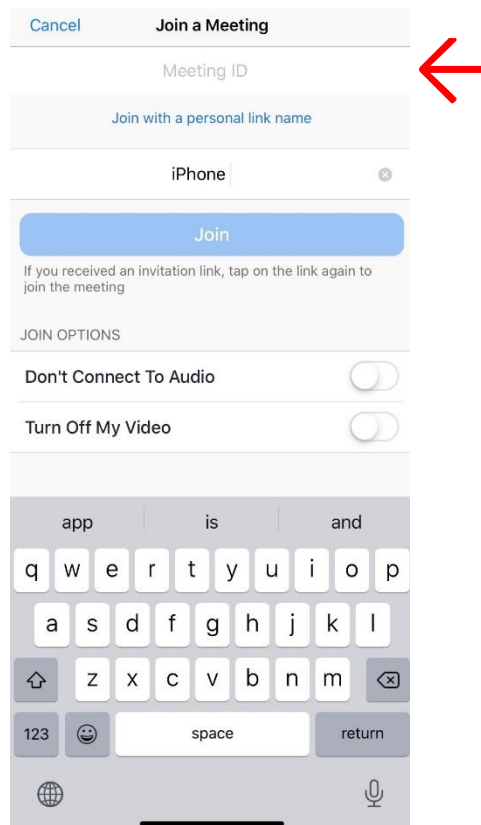

- Search for 'ZOOM Cloud Meetings' and click 'Get' to download app

- Click on 'Join a Meeting'

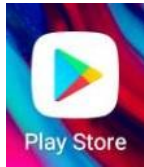

- We will call you to schedule a meeting with the provider 24 hours prior and we will give you a meeting ID. This meeting ID will be required to join the meeting. Type in your specific Meeting ID here 5 minutes prior to meeting:

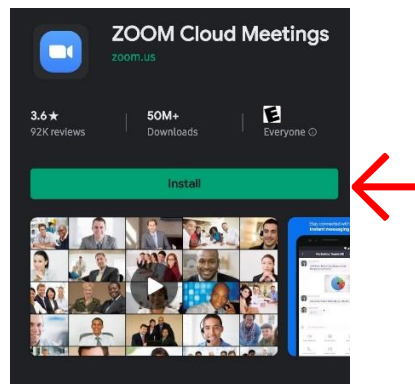

- **Android**

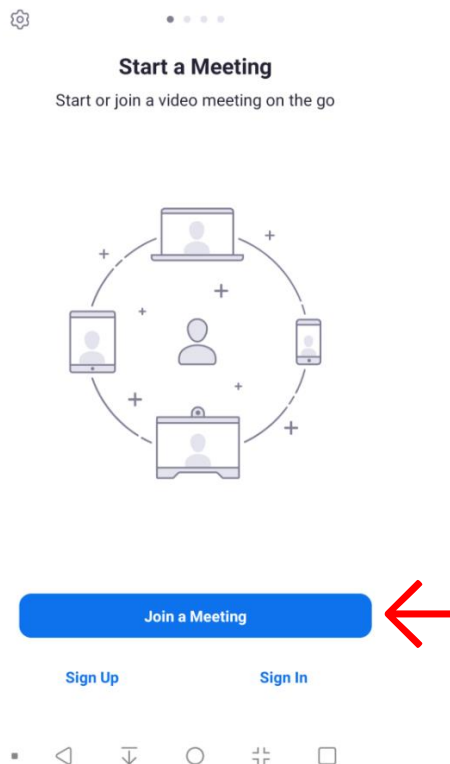

- Go to Google Play Store

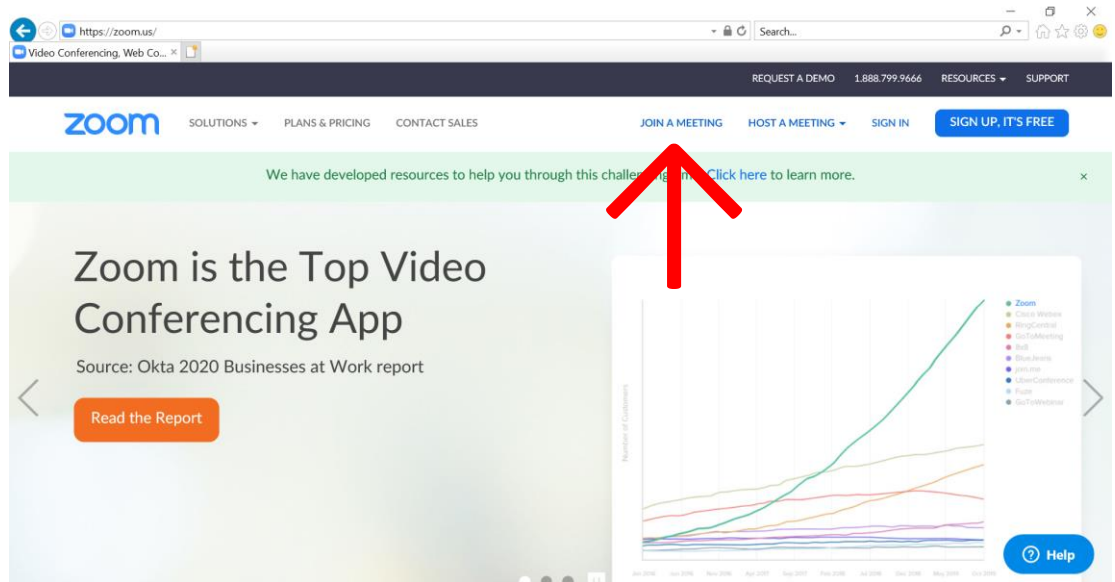

- Search for 'ZOOM Cloud Meetings' and click 'Install' to download app

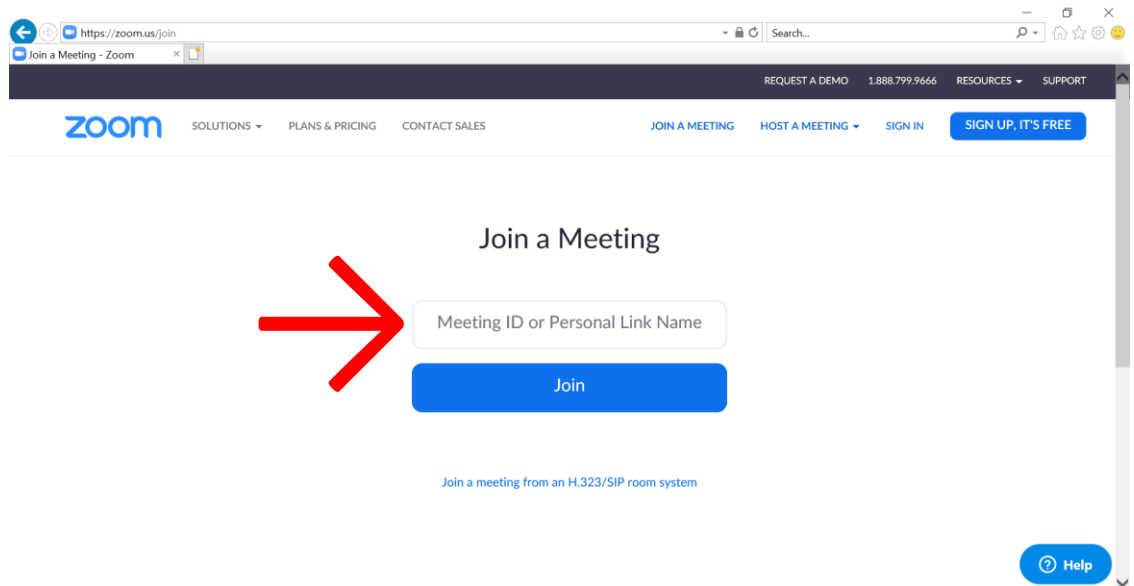

- Click on 'Join a Meeting'

- Click on 'Join a Meeting'

- Type Meeting ID in box and then Click 'Join'

- * If you do not have one of the devices above, can you borrow a device for the visit?
- * You will need to download Zoom prior to the Telemedicine appointment
- * You do not need to create an account to use Zoom
